

### Listing of AIMECHATEC, Ltd. on the Tokyo Stock Exchange

AIMECHATEC, Ltd. ("AIMECHATEC")(TSE6277), which manufactures and sells semiconductor production equipment ("SPE") and flat panel display related manufacturing equipment, listed its stocks on the second section of the Tokyo Stock Exchange on July 30, 2021.

In July 2016, Polaris Private Equity Fund III, L.P. with the other fund acquired the majority of the outstanding shares of a company which Hitachi, Ltd. newly established by spinning off the LCD panel manufacturing equipment business to be transferred. Since then, in accordance with the mid-term business plan (the first 100-day plan), we have been working on business conversion from the former main product, manufacturing equipment for LCD panel to SPE for advanced semiconductor package field and manufacturing equipment for next-generation displays (OLED etc.) by leveraging its unique high technological capabilities. As a result, in the fiscal year ending June 2021 (preliminary), we expect to see a significant increase in financial results, with sales of about 1.4 times and operating profit over 3 times compared to before the company split from Hitachi, Ltd. \*1

\*1 performance figure adjusted for carve-out

As a major shareholder, we will continue to support AIMECHATEC's further business expansion and corporate value enhancement.
